Superintendent's Highlights

We participated in the all night student "lock-in" party for drug awareness at Teton High School. We had an all night party with many activities and about 65% of the student body participated. Then in the morning the activities were opened up to the other age groups. The only complaint we had was that the younger students want more time for them. This was a very successful activity.

We also were able to start a strategic planning process with Idaho State University.
